

## Features

- **UL 1598 Listed for Outdoor Installations**
- **Bright Safety Yellow Attracts Attention**
- **Durable powder-coated finish withstands the harshest environments**
- **Custom colors and graphics available**
- **Fits all GAI-Tronics Flush-Mount Telephones**

The Model 234WM Wall-Mount Stanchion is designed to house GAI-Tronics' 290 and 270 series Flush-Mount telephones. The stanchion body is bright safety yellow with black EMERGENCY graphics on each side for increased visibility. The highly visible 530-001 blue L.E.D. strobe, with "constant on" light, is housed in the upper portion of the stanchion to provide easy identification of the stanchion locations. In addition, a panel light illuminates the phone surface for nighttime use. GAI-Tronics 234WM wall-mount stanchion attracts attention by its mere presence.

The 234WM wall-mount stanchion is ideal for:

- **College campuses**
- **Parking garages**
- **Shopping malls**
- **Amusement parks**
- **Hotels**

# Model 234WM Stanchion
